

Cub SP-07

The Frister family has a proud heritage of professional sewing machines and overlockers. Patented and manufactured to the highest standard – this is what reliable sewing is all about.

The best sewing and overlocking is done on a
frister+rossmann – naturally

Cub SP-07

Don't let the compact size of the Cub SP disguise the capabilities of this supremely engineered sewing machine. The Cub SP is extremely portable and is the ideal choice where space is at a premium. It is also a favourite with students. Easy to thread with a built in needle threader, this free arm/flat bed machine has a powerful motor drive, convenient accessory box and comes complete with a smart and useful carry case. The Cub SP - it really is the ultimate in reliable compact sewing.

24 Stitch Selections

The Cub SP is well equipped with a comprehensive selection of utility, stretch and decorative stitches. Straight, zig zag, blind hem, multi zig zag, shell stitch, scallop, domino, diamond, arrowhead, double action, lingerie, straight stretch, stretch zig zag, overlock (left), honeycomb, overlock (right), double overlock, stretch overlock, stretch patching and 5 decorative stitches plus automatic 5 step buttonhole.

Needle Threader

Trying to thread the needle is no longer a dreaded chore. The ingenious user friendly needle threader has been designed to do it for you, threading the needle in the blink of an eye. Simply lower into position, lay the thread across the guide and release - EASY!!

Metal Raceway

Strong and reliable shuttle raceway ensures perfect stitch quality, even when sewing bulky fabrics at speed. Easily removed for cleaning, the bobbin case, shuttle and shuttle cover can be reassembled in seconds.

Carry Case

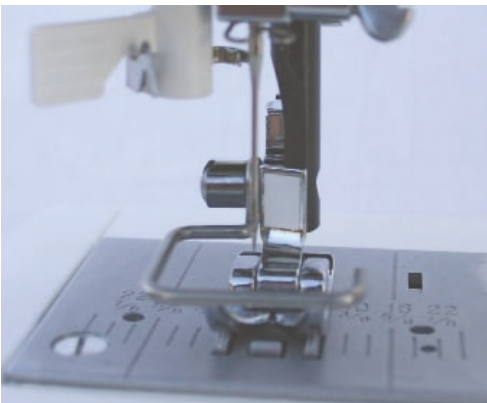

The smart compact carry case has been designed to store and protect your Cub SP.
